

UMFC has been proudly serving this region since 1979.

We truly appreciate everyone who has helped us over the years, either by offering financial assistance or giving up their time as a volunteer. The programs we run in our local community give families, young people and kids a sense of hope, a sense of belief and pathways towards a fulfilling life. We thank all our supporters for their community spirit and valuing the vital work that we do.

Bill Tilley MLA Member for Benambra

I've been a long-time advocate & supporter of UMFC and their diverse programs which make a real difference in our community. Their mission statement, 'Strengthening families to build vibrant communities' sums up this organisation's ability to nurture and care for locals in need. UMFC is a not for profit organisation that we should all be proud to support and I thank them for the vital role they play in our community.

Gerard Darmody CEO SS&A Albury

The SS&A is proud to support the vital role UMFC plays in caring and supporting vulnerable children and families in our community. It's been rewarding to know that through our sponsorship and donations we've been able to support initiatives such as Out of Home Care, Child & Family Services and Aged & Disabilities.

Judy & Rowly Paterson Owner, Ace Radio, 2AY/Edge FM

We're a family owned company that recognises the importance of giving back to regional communities and contributing to the health and wellbeing of children and families that need a helping hand. UMFC is at the forefront of assisting the most vulnerable, but they can't do it alone, that's why we regularly offer financial support and sponsorships.

Martin Baker Baker Motors Group

Our family and staff have been donating a small amount from our pay cheques each week since 1999. It's a way for all of our team members to support the valuable programs of UMFC. Given they're a local organisation that provides such a vital role for families and children right here in our community, how could we not?

Hon Lou Lieberman AM

As a former Board Member and Chairman, I understand first-hand how vital Upper Murray Family Care is in strengthening families and individuals in this vibrant community.

I encourage everyone to assist this local not for profit organisation and support it in anyway possible. Upper Murray Family Care makes a real difference to the lives of many vulnerable families, individuals and children.

Lou was awarded life membership with UMFC in 1993.
